If you have any questions, please let me know.

Thank you.

Good day, Michelle. Our JFO has informed me they now have authority for 30-day rather than just 5-day incremental funding. The MA for your ESF-10 mission(s) expires on September 30th, so depending upon your projection of mission duration, the MA can be funded beyond the previous 5-day restrictions. If you project work requirements past the end of September, you may address your request for 30 days in

an e-mail to be attached to the MA-3 RRF about which you inquired. That e-mail can be addressed to Ms. Ari Deruise, to whom I have cc'd on this correspondence. Please cc me on your traffic for my "SA".

Please give me a call if this doesn't make sense.

Ari – thanx for your assistance on this.

Philip
